MORE INFORMATION

HOW TO PAY:

Once you have booked your place on your exam via BASI, you then choose one of our accommodation options as detailed in this pack. A deposit is payable to us to secure this.

Level 1 Course Deposit : £150pp

Level 2 Course Deposit : £300pp

The balance for our package must be paid 4 weeks prior to the course start date. This is when BASI will confirm the course. This payment is direct to our Andorran account.

If your course is **NOT CONFIRMED** by BASI due to lack of numbers then **the deposit paid to us will be refunded in full.**

Once the course is confirmed, you can then book your flights on the specified dates and let us know both the arrival and departure times. We can then arrange the transfers for you.

Then **during the week prior to your arrival** we will email you our arrival PDF detailing all the information you need to know about getting here and checking into your hotel.

We will obviously help you all the way in regards to flights and anything and everything else you need to know.

AIRPORT TRANSFERS:

Return airport transfers are included in our Exam Only price. We will book them the specified arrival and departure days for the specific course you are on.

Once we have booked your transfers then **ANY** change to the date or time will incur a £10 admin charge imposed on us by the company we use.

More information about the transfers will be supplied when booking on the course.

MONEY IN RESORT:

There are plenty of cash points in and around town, but be aware that your bank may charge you for withdrawing money. Credit cards are widely used in town but cash is always preferred in the local bars.

There is no actual bank facility to physically change money in Arinsal. If you intend to bring cash please change this in the UK prior to coming out.

*** PLEASE NOTE:** The currency in Andorra is still the EURO *

FLIGHTS:

Barcelona El Prat is the easiest airport for Andorra. There are many airlines from all over the UK that fly there.

Toulouse Airport can be accommodated by prior arrangement but we ALWAYS recommend Barcelona.

We recommend landing in Barcelona (or your respective airport) no later than 2pm in the afternoon. This means that with the transfer times taken into account, you get into resort early evening and have plenty of time to relax and have a drink and a bite to eat on the first night.

The same will go for return flights back to the UK. A later departure in the afternoon means you don't have to leave Arinsal too early.

Again more information regarding matching flight times and transfers will be sent to you upon booking onto the course.

LIFT PASSES:

All lift passes are valid for every day of your holiday. They are valid for Pal Arinsal and Arcalis region. Your lift pass and wrist band will be waiting for you when you arrive/check in as part of your welcome pack.

Once you have your lift pass it is your responsibility and Snowboard/Snowsports Coach cannot be held responsible for any costs incurred due to loss or theft of lift passes.

LIFT PASS INSURANCE:

This can be added to cover the loss of lift pass for £1.70 per day. Please let us know if you would like this. **This will only be added if you specifically request it.**

OUR WRISTBANDS

OUR "LOCAL" WRISTBAND:

Over the past few seasons we have had other people not taking our packages, trying to get our discount in bars and cafes in town and up the mountain. So we introduced our own wristband, so only our customers get this discount. Its a thank you from us and makes you part of the Snowboard/Snowsports Coach crew from the day you arrive.

Our wristband tells all the bar staff in our favourite places that you are with us and that you get locals price straight away. We try and make you feel part of the great local scene here in Arinsal from day one of your holiday.

For 2026 season, some bars are giving us MORE than local discount with amazing offers that just make your exam time here with us that bit more special than with a tour operator.

The idea sounds cheesy but it works!

Simply show the wrist band when you order/pay - as soon as the staff see it they will give you our special discount.

The band itself is fully waterproof and shower proof so is fine to wear for the duration of your stay.

This band is **only available** for Snowboard/Snowsports Coach clients.

WHERE IT WORKS!

POLAR BAR:

These guys look after us all winter and offer special Snowboard Coach only discount on to all our clients. They are our favourite mountain cafe in Arinsal. We eat there every day as its too cheap not to. With our wristband you will too....Here is what we get:

BREAKFAST SNACKS (9AM-11AM)

- Croissant & Coffee - 3.50 Euro
- Neapolitana/Pan Raisin & Coffee - 3.85 Euro

PLATE OF THE DAY FOR 10.90 EURO:

- Main meal and soft drink & coffee

If you don't want a plate of the day, you can also order from the main menu and our wristband will get a **discount of 10%**

The Polar bar is located up the mountain on the middle floor of the complex when you get off the gondola. When you order/pay you will need to show our SBC/SSC wristband else you will be charged the full price.

CISCO'S BAR: A favourite of ours over the years of being here. They do us an amazing SBC only discounts ALL THE TIME. Free nachos and chili in Apres ski as well.

EL MOLI: Specials during apres, local prices on all drinks.

EL CABIN: Local prices on all drinks in the bar and 15% discount on all food from the menu.

DERBY DELI & IRISH PUB: A fast take away style deli up the hill that gives us great discounts on food - plus local prices on all drinks in the bar in the village.

There are of course other bars in the village but we like to promote the ones we drink and eat in...and in turn allow us to save you money on your time with us.

THE HOTELS

A BIT MORE ABOUT US

Snowsports Coach is part of Snowboard Coach. We have been working on delivering and organising a variety of BASI courses for over 15 years. We are a collection of BASI trainers and ISTD/ISIA instructors that have worked our way through the BASI system so we know what doing a course is all about.

Andorra is where we did our first BASI courses back in 1997 and we've loved the place since. We have been running our programs back here for the past 13 winters. Now thanks to us Andorra and Arinsal is back on the map with BASI and is a growing venue for more and more courses.

BASI use our experience, local knowledge and resources to help them with the logistics of running all BASI courses taking place in Arinsal.

Please feel free to contact us if you require any more help, information or advice on booking a BASI course with us.

APPROVED BASI PARTNER

Our company is also a FULLY APPROVED BASI PARTNER. This is an accreditation that BASI are only issuing to approved companies with a proven track record of delivering a quality BASI product.

This means that we have been through a rigorous quality control process assessing everything from our training and delivery methods to our course structure and organisation. We have surpassed this stringent criteria with flying colours.

AND FINALLY.....

Please come into any BASI course with the mind-set to have your riding or skiing and teaching critiqued and be open to change regardless of how long you have been involved in winter sports. If you're not willing to change then you will not get the full benefit of a BASI course.

Remember the course is not a guaranteed pass. Every course that a trainer runs they aim to make it 100% successful, but they are not in control of how you learn or how much effort you put in. That bit is up to you. You will get all the tools and feedback you will need in order to pass the exams. Use the time around the course to practice this and you will be giving yourself the best chance in achieving your goal.

You will have a great time in Arinsal both on and off the slopes. It is one of the best value for money resorts where you can do a BASI course. Making it the perfect place to do an exam.....and with our discount wristband included, it makes it even better.

This wristband is NOT available outside our packages.

We look forward to seeing you at the start of the course, if not before.
