# WELCOME

This is our 13th season of putting a great value package together for anyone that wants to come and just ride or ski with us for the season.....but this year we are doing it in Japan!

This option is simply aimed at skiers & snowboarders who want to spend a season away in the mountains with like minded people. Maybe you're fed up with the rat race and need a change for a few months. The common goal is gaining the ability to do something we love and there is no better way than being able to snowboard and ski every day.

Our season riding program is aimed at any level of recreational skier/snowboarder. You will be out with us for the winter and riding with all the local snowboarders and skiers and even the guys training for our Level 2 and 3 Instructor courses. This will be a great way to improve your skills.

We will have options for you to join in on any of our riding & ski weeks throughout the season at a greatly reduced price and the option of having discounted private coaching with us.....

So not only can you receive training and get to be with an awesome group of friends but you also get to experience what it's like to be a "local" and part of the snowsports scene in a thriving, popular Japanese winter village

## WHERE IS THE COURSE?

Our season only course in Niseko, under 2 hours from Sapporo airport in the Hokkaido province of Japan's North Island.

This place needs no introduction as the record snowfalls of the past 2025 winter were all over the news. This place coined the term Japow.

We offer everything you need to be with us for 3 months in resort including a full area Niseko season pass as well as a Moiwa pass so you can literally ride everything the area has to offer.

## WHO CAN ATTEND?

As we mentioned earlier, the season course is open to **ANY** level of rider & skier. Even if you have only just started what better way to improve than spend the winter away and with the help of the optional training sessions, you'll get everything working the correct way, right from the start.

If you have never been snowboarding or skiing before, we would advise you to take lessons prior to coming out or we can arrange a weeks beginner class.

We will get special pricing on snowboard & ski in a day lessons at Tamworth Snowdome - get in touch for more info.

# WHAT'S THE COST?

## WHAT'S IT GOING TO COST?

As ever our prices are hard to beat and doing a 3 month season with us is cheaper than some 4 week courses we have seen from competitors.

Remember our programme sees you arriving 4<sup>th</sup> January and leaving 31<sup>st</sup> March 2026.

**3 MONTHS SEASON - JAN-MARCH**

# WHAT'S IN IT

# OUR WRISTBANDS

## OUR "LOCAL" WRISTBAND:

For our season courses we arrange awesome local discount in our favourite bars, restaurants and coffee shops in Niseko and Kutchan.

Our SBcoach wristband tells all the bar staff in our favourite places that you are with us and that you get local seasonaires price straight away.

We try and make you feel part of the great local scene from the first day you arrive with us.

The idea sounds cheesy but it works!

The band itself is fully waterproof and shower proof so is fine to wear every day.

A full list where it works will be sent to you prior to arrival in

# WHERE DO I STAY?

## WHAT'S THE ACCOMMODATION LIKE?

We have 2 accommodation options. Our first location is in Hirafu and the other in Kutchan. Each have their advantages with Hirafu being closer to the hirafu lift station (obviously) but is a more expensive area to eat and drink because of this. It is still on the local bus line to other resorts such as Moiwa (10 mins away), so transport is really easy.

Kutchan has more variety being a working village/town which is where the majority of resort workers stay. The bars and restaurants are cheaper because of this. Kutchan is a 10 min local bus ride away to the lifts in Niseko.

All our accommodation is within 5 mins walk to the bus stations that loop through all the different resorts the area has to offer. Showing you these will be part of the induction days in your first week with us.

Our accommodation has full kitchen cooking facilities as you would expect. But eating a £2 bowl of authentic Japanese ramen is always better than cooking!

Unlike other companies, we do not cram people into our accommodation. You WON'T be sharing 4 to a room with us. Accommodation will be 2 per bedroom. Couples are obviously allocated a room together. Bedrooms have under bed storage or wardrobes. Being honest the only time you will spend in the bedroom is when you're sleeping!

## DEPOSIT

A damage deposit is payable on top of the course fee by every candidate. If the accommodation is left **as it was found** then this will be returned after course,

Any damages, cleaning, breakages etc...will be billed at the cost to put right and this will be split between everyone in the accommodation (or the person who caused the damage)

## BILLS:

All bills are included. This includes water, heating and electric. As snowboarders using the mountain we should be concerned about global warming and energy saving. Just because the bills are included doesn't mean you can forget about them. Simple things like turning the heating and lighting off when you go out will make a big difference.

**SHEETS, CLEANING & WASHING:** A set of bed sheets are provided and can be used/washed on a rotation basis.

**FRIENDS STAYING POLICY:** If we have space in the accommodation then friends are more than welcome to stay for a cost. This cost will be based on the time of the season and how long they are planning to come out. If we don't have space in the accommodation then we will be able to provide a separate apartment as close as we can to you.

# TESTIMONIALS

Over the years of doing these course we have developed a great Snowboard Coach family. Mike and Tim have been with us on the season only programme on previous seasons.....here is what he had to says

“

What can I say about the season program to sum it up. Great season. Great people. Great organiser. I had a blast.....

I was in Arinsal for 3 months with SBC.....

The SBC guys are really friendly and actually go pretty far out of their way to help you if you need it. More so than any of the companies I've been skiing and snowboarding with before.

I think the biggest advantage is the social aspect. The seasonaires and the locals all know each other, so going with Snowboard/Snowsports Coach gets you fast tracked to meeting them all.

I can honestly say that my season was amazing and worth every penny :)

Mike Korzillabob

“

Having narrowly missed out on the technical side of my Level 2 Instructor course, I decided to return for the season option programme.

I just wanted to ski and iron out my faults and basically have another 3 months away in the winter.

That's why I did the season programme. Even though I wasn't on any training courses, both Ash and Olly were always on hand and helpful for any advice and tips.

These guys make it all so simple and I can't thank them enough for a couple of incredible seasons!

Slide on!

# YOUR RESPONSIBILITIES

We ask every candidate to be professional and respectful at all times not only to the people you will be living with for the season but the locals who you will get to know in resort.

They will be from all over the world so understanding other people's cultures is a big part of doing a season away.

You will also get to know a lot of people in resort and will be known as part of the Snowboard/Snowsports Coach crew. It's a small friendly town so creating the right impression is paramount.

Around that, the season is yours to enjoy, relax, go riding and skiing and explore Japan and everything this amazing culture has to offer

But please do not wear budgie smugglers on the hill.....
