

SNOWBOARD COACH MOUNTAIN RIDING WEEKS 2026

EVERYTHING YOU
NEED TO KNOW
ABOUT OUR RIDING
WEEKS IN ARINSAL,
ANDORRA

snowboard[™]
coach.co.uk

WELCOME

Our Mountain snowboard weeks are all about advancing your riding on the mountain with no walls to tell you when to turn..... only trees. We spend our week looking at how to effectively ride all the terrain a mountain has to offer. This includes working on tackling the steeper slopes, looking at the ideas behind carving on the piste, looking at how to ride the more challenging variable lumpy and bumpy terrain and how to safely ride off piste through the trees if we have fresh snow. We can also spend a bit of time looking at flatland tricks and even a look in the park with a freestyle session at the end of week.

Our program is designed to make you a better and more confident rider.

WHERE IS THE COURSE?

All of our winter courses take place in Arinsal in the Nord region in Andorra. Andorra has been a popular destination for UK riders since the mid 90's and has always catered for snowboarders with a great park and some great riding.

Andorra retains a duty free tax status so is great value for money meaning you can go out and enjoy yourself without breaking the bank. We have written a resort guide for Whitelines magazine so please email us if you would like a copy of this.

WHO CAN ATTEND?

ANY level of recreational rider is welcome on our courses. The way we run our riding progressions means that everyone will come away with a clear understanding of what's going on with their riding and what they need to do to get better. Most importantly by the end of the week you will know how to get better when we're not there.

WHAT'S IT GOING TO COST?

As ever we try and keep our prices as low as possible without compromising the quality of your time with us. We have 2 main options for this coming season.

BED AND BREAKFAST FROM: £1,045

HALF BOARD OPTION FROM: £1,095

We say "from" because single room supplements will be in place for single travellers who don't want to share. Also for different times of the season where the hotels are more expensive.

WHAT'S IN IT

WHAT DOES THIS INCLUDE?

SINGLE OCCUPANCY: Extra charges will be in place if you would like your own room for the duration of your stay.

BOARD LOCKERS: Another benefit of coming with us here at Snowboard Coach is that all our clients get free board locker use in the respective hotels. This is usually charged for so yet another saving on our package price.

We can arrange an on mountain "luxury" storage locker for you at a extra cost of approx "FROM" £70 GBP for the 6 days. They are new and are key coded, heated and have boot dryers.

The small locker will fit 2 snowboard and boots or 3 pairs of ski's and boots. The bigger Family locker will fit 3 to 4 snowboards and boots or 5 pairs of ski's and boots. The family locker is approx £80 for the week.

THE DATES

DATES FOR WINTER 2026

We have the following mountain riding course dates for this winter:

JAN 25TH - FEB 1ST

MARCH 8TH - 15TH

We also have a new course this winter called **Explore Andorra**, which is similar to the riding weeks but has no formal coaching but we will spend time with you each day, showing you around all the resorts Andorra has to offer.

For more info on this course click [here](#).

Please note the above dates are the arrival and departure dates ie the days that you will be arriving and departing Arinsal.

We have a limit of only 8 people per course so please get in touch to secure you place.

If you are a group of 4 or more looking for a week away and these dates don't work for you, let us know and we can tailor a bespoke package for your group.

BOOKING A COURSE

Booking is really simple, you tell us the week you intend to come and if we have space then we pencil you in.

Then a non-refundable deposit of £300pp is required to secure your place on the week with the balance being paid 6 weeks prior to arrival. Or you can pay in full at the time of booking which we prefer as it saves a lot of hassle.

You then book your flights on the specified dates and let us know both the arrival and departure times. We can then arrange the transfers.

Then during the week prior to your arrival we will email you our arrival PDF detailing all the information you need to know about getting here and checking into the hotel.

We will obviously help you in regards to flights and anything else you need to know along the way.

INFORMATION

AIRPORT TRANSFERS:

Return airport transfers are included in our package price. We will book them the specified arrival and departure days for the specific course you are on.

Our programs run from Sunday to Sunday as this is the "change over" day in Arinsal. So you will arrive and depart on Sundays.

Once we have booked your transfers then **ANY** change to the date or time will incur a £10 admin charge imposed on us by the company we use.

More information about the transfers will be supplied when booking on the program.

Transfer time to Arinsal is about 3.5 hours.

FLIGHTS:

Barcelona El Prat is the easiest airport for Andorra. There are many airlines from all over the UK that fly there.

Toulouse airport and train station can also be accommodated by prior arrangement, but we ALWAYS recommend Barcelona.

We recommend landing in Barcelona (or your respective airport) no later than 2pm in the afternoon. This means that with the transfer times taken into account, you get into resort early evening and have plenty of time for a drink and a bite to eat on the first night.

The same will go for return flights back to the UK. A later departure in the afternoon means you don't have to leave Arinsal too early.

Again more information regarding matching flight times and transfers will be sent to you upon booking.

LIFT PASSES:

All lift passes are valid for every day of your holiday. They are valid for Pal Arinsal and Arcalis region.

Your lift pass and wrist band will be waiting for you when you arrive/check in as part of your welcome pack.

Once you have your lift pass it is your responsibility and Snowboard Coach cannot be held responsible for any costs incurred due to loss or theft of lift passes.

LIFT PASS INSURANCE:

This can be added to cover the loss of lift pass for approx £1.80 per day - so for the riding week, a cost of £11 extra. Please let us know if you would like this as by default we WONT include it in the course fee.

MONEY IN RESORT:

There are plenty of cash points in and around town, but be aware that your bank may charge you for withdrawing money. Credit cards are widely used in town but cash is always preferred in the local bars.

There is no actual bank facility to physically change money in Arinsal. If you intend to bring cash please change this in the UK prior to coming out.

*** PLEASE NOTE:** The currency in Andorra is still the EURO *

OUR WRISTBANDS

OUR "LOCAL" WRISTBAND:

Over the past few seasons we have had other people not on our courses trying to get our SBcoach discount in bars and cafes in town and up the mountain. Because of this we introduced our Snowboard Coach wristband with different colours every season.

Our SBcoach wristband tells all the bar staff in our favourite places that you are with us and that you get local seasonaires price straight away. Some of these places even offer us a special SBcoach only price, that not even the locals get. We try and make you feel part of the great local scene here in Arinsal from day one.

The idea sounds cheesy but it works!

It also saves asking about discount - as soon as the staff see it they will know.

The band itself is fully waterproof and shower proof so is fine to wear every day.

This band is **only available** for Snowboard Coach clients.

WHERE IT WORKS!

POLAR BAR:

These guys look after us all winter and offer special Snowboard Coach only discount on to all our clients. They are our favourite mountain cafe in Arinsal. We eat there every day as its too cheap not to. With our wristband you will too.... Here is what we get:

BREAKFAST SNACKS (9AM-11AM)

- Croissant & Coffee - 3.50 Euro
- Nepolitana/Pan Raisin & Coffee - 3.85 Euro

PLATE OF THE DAY FOR 10.90 EURO:

- Main meal and soft drink & coffee

If you don't want a plate of the day, you can also order from the main menu and our wristband will get a **discount of 10%**

The Polar bar is located up the mountain on the middle floor of the complex when you get off the gondola. When you order/pay you will need to show your SBC wristband else you will be charged the full price.

CISCO'S BAR: A favourite of ours over the years of being here. They do us an amazing 2 EURO beers ALL THE TIME. Free pizza slices in Apres ski.

EL MOLI: Specials during apres, local prices on all drinks and a great restaurant upstairs.

FUGAZETTA: One of our small local bars owned by Big Charlie with some great food made by Cebas. We get local prices and 10% discount on all food.

COFFEE MOUNTAIN: Oor fave local cafe with homemade cakes and food both UK and Spanish - 10% off everything.

DERBY DELI & IRISH PUB: A fast take away style deli up the mountain that gives us discounts on food - plus local prices on all drinks in the bar in the village.

There are of course other bars in the village but we like to promote the ones we drink and eat in...and in turn allow us to save you money on your time with us.

THE ITINERARY

THE ROUGH COURSE ITINERARY:

Each day with us (Mon-Fri) will consist of 3 hours worth of coaching either a morning or afternoon. Followed by a group debrief / Q&A session over lunch. This leaves the time around these sessions free for practice.

The way we teach is to try and get you to understand and feel what's going on with your riding. So regardless of how you've been taught prior we'll set you straight with the newest most up to date techniques the snowboard world has to offer. We believe this will make you more aware and a more versatile all round snowboarder.

The first day will be spent levelling everyone off and looking re-affirming what you already now. Likely drills will be focused on stance and how we should steer a snowboard (the feet). Having a solid riding position is crucial to being a good snowboarder. An understanding of how and why we do what we do will revolutionise your riding.

We will then spend the rest of the week looking at how being solid on a board helps us to ride all the terrain on a mountain, from the steep slopes to the piste. We will also have a flatland session looking at 180's, butters etc as well as a session in the park looking at how to jump and ride box's more confidently.

We do all this using safe progressions and exercises that work on building confidence and skill. We won't do anything you don't want to do. As the week progresses you will feel more and more confident and will gain a greater understanding of what is going on with your riding and what you need to do to get better.

VIDEO SESSION:

If the group feel they want to, then we will also incorporate a video session mid week so you can actually see your development and get a really good idea of how you are riding.

MINIMUM NUMBERS:

WE ALWAYS RUN OUR TRAINING COURSES

If minimum numbers are not met for any of our courses then we will run a reduced hour's program but if this is the case you will get more individual attention as there will be less people in the group. You will be advised the week before if this is the case.

It works like this:

1 person booked	– 6 hours of 1:1 tuition over the week.
2-4 people booked	– 2 hours a day for 5 days.
5 or more booked	– Full program as detailed.

We always endeavour to run a full program – however, by doing the above we NEVER have to cancel a course, which is good for everybody.

TESTIMONIALS

Over the years of doing these course we have developed a great Snowboard Coach family and we all keep in contact. Below is some feedback from the guys who came with us over previous winter, to help you make the decision to join us this winter.

“

Just wanted to thank you for a brilliant course. The whole week was great, the coaching and the structure to the course was spot on. I learnt loads and my boarding has improved so much, I can't thank you enough.

Steve Stacey

Thanks for a great weeks snowboarding with new friends and superb instruction from Olly.

Mark Maryan

Absolute fire of a week. Cheers to Ash and Olly....it can be truly said I'm less shilt than I was hahahahaha!

Steve Buckland

”

“

I had a fantastic week...I felt my snowboarding came on so much down to you guys. I had some painful falls when I was a beginner (always heel side falls on greens!) and I'm sure a lot of that was down to bad technique.

I'm finally enjoying snowboarding – it's been some time coming.

Mark Sheraton

Thanks to Ash and the guys for an awesome week in Arinsal. Not just for the coaching but for the advice and chats over apres beers. Most companies I've been with don't take the extra time to socialise with you - it was refreshing that you guys do....thank you!!
