3 OR 4 WEEK L2 IN
ARINSAL, ANDORRA**

WELCOME

OUR PROGRAM

This is our 13th season of delivering this unique type of 3 Week BASI level 2 Instructor course and we are constantly developing the way we run it so that you get the most out of it in terms of value for money and quality of training.

The course is ideal for people who cannot attend our season long program due to work or other commitments and for those who feel ready for the BASI level 2 but want the extra week of input and training prior to the exam.

For our 4 week option, please enquire and we can add an extra weeks accommodation and training into this program.

WHERE IS THE COURSE?

All of our winter courses take place in Arinsal in the Arinsal & Pal region in Andorra. Andorra has been a popular destination for UK riders since the mid 90's and has always catered for snowboarders with a great park and some great riding and everything you need for your BASI exam.

Andorra retains a duty free tax status so is great value for money meaning you can go out and enjoy yourself without breaking the bank. We have written a resort guide for Whitelines magazine so please email us if you would like a copy of this.

WHO CAN ATTEND?

The course is open to all candidates that have already completed the Level 1 prior.

It's also advisable to have as many shadowing hours as you can prior to arrival in resort - just so you can focus on the technical. But our longer programs do allow you to "top up" on additional shadowing hours should they be required.

You must also have paid your BASI subscriptions for the current season.

WHAT'S IT GOING TO COST?

As ever we are keeping it as cost effective as possible so that becoming a BASI Level 2 ski instructor isn't going to cost you a small fortune.

The cost of our 3 week program for 2026 is

£3,895 TOTAL COURSE COST

The cost of our 4 week program for 2026 is

£4,895 TOTAL COURSE COST

INFORMATION

START & FINISH DATES:

The dates for our 3 and 4 week courses are as follows and flights should be booked for the following:

ARRIVAL: Sunday 1st March 2026
DEPARTURE: Friday 20th March 2025

4 WEEK OPTION:

ARRIVAL: Sunday 23rd Feb 2026
DEPARTURE: Friday 20th March 2026

AIRPORT TRANSFERS:

These are included in the price on the specified arrival and departure days. Extra charges will be in place should you not be arriving and departing on the above days.

More information regarding the transfers will be supplied when booking onto the program.

Transfer time to Andorra is around 3.5 hours.

FLIGHTS:

Barcelona El Prat is the easiest airport for Andorra. There are many airlines from all over the UK that fly there.

Toulouse airport can be accommodated by prior arrangement but we always recommend Barcelona.

We recommend landing in Barcelona (or your respective airport) no later than 2pm in the afternoon. This means that with the transfer times taken into account, you get into resort early evening and have plenty of time for a drink and a bite to eat on the first night.

The same will go for return flights back to the UK. A later departure in the afternoon means you don't have to leave Arinsal too early.

Again more information regarding flight times will be sent to you upon booking onto the program.

LIFT PASSES:

All lift passes are valid for every day of the course including weekends. They are valid for the Arinsal, Pal - where your exams will take place - and Arcalis region for a slide on your days off.

Your lift pass will be waiting for you when you arrive.

Once you have your lift pass it is your responsibility and Snowboard Coach cannot be held responsible for extra charges incurred due to loss or theft of lift passes.

LIFT PASS INSURANCE:

This can be added to cover the loss of lift pass for £1,70 per day - Please let us know if you would like this.

MONEY IN RESORT:

There are plenty of cash points in and around town, but be aware that your bank may charge you for withdrawing money. Credit cards are widely used in town but cash is always preferred in the local bars.

There is no actual bank facility to physically change money in Arinsal. If you intend to bring cash please change this in the UK prior to coming out.

* **PLEASE NOTE:** The currency in Andorra is still the EURO *

OUR WRISTBANDS

OUR "LOCAL" WRISTBAND:

Over the past few seasons we have had other people not on our courses trying to get our SBcoach discount in bars and cafes in town and up the mountain. Because of this we introduced our SBcoach Wristband with different colours for each season.

Our SBcoach wristband tells all the bar staff in our favourite places that you are with us and that you get local seasonaires price straight away. Some of these places even offer us a special SBcoach only price, that not even the locals get. We try and make you feel part of the great local scene here in Arinsal from day one.

The idea sounds cheesy but it works!

It also saves asking about discount - as soon as the staff see it they will know.

The band itself is fully waterproof and shower proof so is fine to wear every day.

This band is only available for you and for what you buy. It wont cover any other friends and family that travel separately ie not with us. That's why everyone on a Snowboard Coach course gets this band and no-one else.

WHERE IT WORKS!

POLAR BAR:

These guys look after us all winter and offer special Snowboard Coach only discount on to all our clients. They are our favourite mountain cafe in Arinsal. We eat there every day as its too cheap not to. With our wristband you will too.... Here is what we get:

BREAKFAST SNACKS (9AM-11AM)

- Croissant & Coffee - 3.50 Euro
- Neapolitana/Pan Raisin & Coffee - 3.85 Euro

PLATE OF THE DAY FOR 11.90 EURO:

- Main meal and soft drink & coffee

If you don't want a plate of the day, you can also order from the main menu and our wristband will get a **discount of 10%**

The Polar bar is located up the mountain on the middle floor of the complex when you get off the gondola. When you order/pay you will need to show your SBC wristband else you will be charged the full price.

CISCO'S BAR: A favourite of ours over the years of being here. They do us an amazing 2 EURO beers ALL THE TIME. Free pizza slices in Apres ski.

EL MOLI: Specials during apres, local prices on all drinks and a great restaurant upstairs.

FUGAZETTA: One of our small local bars owned by Big Charlie with some great food. We get local prices and 10% discount on all food.

COFFEE MOUNTAIN: Oor fave local cafe with homemade cakes and food both UK and Spanish - 10% off everything.

DERBY DELI & IRISH PUB: A fast take away style deli up the mountain that gives us discounts on food - plus local prices on all drinks in the bar in the village.

There are of course other bars in the village but we like to promote the ones we drink and eat in...and in turn allow us to save you money on your time with us.

THE HOTEL

WHAT'S THE ACCOMMODATION LIKE?

Everyone is located in the same Hotel in Arinsal, a short few mins walk to the main gondola. The rooms are a mix of twin and triples. We do endeavour to keep 2 to a room where we can, but be prepared to be in a triple room depending on course numbers.

EVERY room is En-suite and has TV and coffee/tea making facilities. Bedrooms have under bed storage and wardrobes. Being honest the only time you will spend in the bedroom is when you're sleeping!

The hotel has a nice bar and lounge area for a coffee in the afternoon and a beer in the evenings. Wi-Fi is available throughout the hotel and in your rooms.

BREAKFAST: You have and all you can eat breakfast every morning INCLUDED as part of the course fee. Please don't steal any items to take up the hill, it makes the hotel a bit angry and with our discount wristband you can have a plate of the day and a drink for under 12 Euro up the mountain.

3 COURSE EVENING MEAL (FREE UPGRADE)

For our 3 and 4 week course in 2026 we are still also including a 3 course evening meal every night. This saves the added hassle of trying to eat out during your time in resort.

This is included in the course fee at no extra cost.

BILLS:

All bills are obviously included. As winter people using the mountain we should be concerned about global warming and energy saving. Simple things like turning the lighting off when you go out will make a big difference.

SHEETS, CLEANING & WASHING: Bed sheets and towels are obviously provided and will be changed every 2 days. It does not include a personal laundry service. But you can pay to have all you washing done at a local laundrette.

DAMAGE: Any damages, major cleaning, breakages etc, will be billed at the cost to put right and this will be split between everyone in the room.

SCHEDULES

TRAINING SCHEDULE

The day after arriving will see us jumping straight into training, starting with a QA up the mountain on the Monday. This is our ideal itinerary. Please note the actual Level 2 exam is now 8 days in duration. Shorter time = harder work, so be prepared.

WEEK 1: PERFORMANCE COURSE

We will be working either within our own group or with the candidates training with us on the season long course. There will be 4x3 hour (min) training sessions during the week.

The idea behind this week is to re-affirm the fundamental's learned on the Level 1 Instructor Course and how it all applies to the mountain. It includes coaching on piste & off piste so steep slopes, carving blues and riding choppy terrain.

One of the sessions will see us working in the park so you know what freestyle level is expected for level 2 students. You then have a long weekend of practice prior to the exam.

If doing our 4 week option then this week is replicated for week 1 giving you double the amount of training time.

FOLLOWING WEEKS: BASI LEVEL 2 EXAM

Tuesday to Friday will be the first 4 days of the Level 2 exam. You will have 2 days off in between to take some more practice time, but also take some well earned rest.

The final 4 days of the Level 2 runs Monday to Thursday and Friday will see you leaving Arinsal back to the airport.

PAYMENT SCHEDULE

A deposit of £1,000 is needed to secure a place on our program. This is paid via BACS/Internet direct to our Andorran account.

- The balance is then payable by the 30th November 2025.
- Anyone booking in September/October 2025 will need a £1500 deposit. Then the balance settled no after than 15th December 2025.
- Anyone booking in or after December 2025 will need to pay the course fee in full.

This schedule is in place because we have to arrange and allocate accommodation as much as we can prior to the start of the season.

TRAIN HARD, RIDE HARDER

Our 3 and 4 week option is perfect if you are pressed for time, We week prior with us to train hard and ride hard.

PLEASE NOTE: The course is not a guaranteed pass.

OUR SNOWBOARDING ETHOS:

The ethos of our snowboarding teaching is about flow and output ie what the board is doing. This depends on the snow we are riding and the task at hand. It's not, do this and do that - we don't spoon feed you on the Level 2 course. As you become more aware of your riding, you will need to become more aware of how you personally use the fundamentals that you are being taught. The more aware you are of this, the nicer your riding will feel and the better rider you will become. 'Snowboarding isn't black and white'

Of course we are going to tell you what you need to fix and give you exercises to improve these weak areas, but part of the course is you figuring out and feeling what works best for you from the information that we give you. How much fore, how low to ride, how high to ride. We can't tell you this, you need to feel this. You will notice the way your coaches ride, we all use the same fundamentals of snowboarding but in varying amounts, yet the outcome - the riding - looks smooth and flowing. This is what we want to teach you.

EVERYBODY is different, we bend, move, stand and sit in many different ways and you will find that you may use a different fundamental more or maybe less than somebody else.

During the exams the trainers will continue to push your riding and may use new exercises and drills that you not have done, using different explanations of the same fundamentals....Its all about the above - making YOU think and FEEL more - "What suits me the best?"

This course is not only about preparing you to take the exams but to train you to be responsible for yourself and prepare you for the role of a developing Instructor in seasons to come.

TESTIMONIALS

Over the years of doing these course we have developed a great Snowboard Coach family and we all keep in contact. Many of the previous course candidates are now living and working all over the world. Here is some feedback to help you make up your mind.

GEMMA HOGG

I thought ticking off my BASI Level 2 wasn't going to be possible as I didn't want the risk of jumping straight into it due to my full time job. This is where Snowboard Coach's prep - 3 & 4 week programme was perfect....

I didn't fancy going straight into the exam because as much as domes are great for practice, they can't emulate things such as variables or steeper slopes....

The weeks prep course allowed me extra time on the mountain to practice what I couldn't back home and gain insightful feedback on what I needed to work on before as well as during the exam. the extra time and input really helps...

I Can't thank Snowboard Coach enough!

AARON CROWDER

I was fortunate enough to do my level 1 with Ash and Snowboard Coach a few years ago, so choosing to go with them again for the Level 2 was my first choice...

The 3 week program was ideal for me, giving me the weeks' training before the 2 week assessment.

The exam itself was great, I learned a huge amount and improved a lot.

The learning environment is always a bonus with Snowboard Coach, they make it fun and enjoyable throughout the process....they are great guys and great coach's.

JON KARSHALOV

I'm a snowboard instructor from Kazakhstan - I did the level 2 - 3 week course with Ash and SBcoach last season and it was brilliant.....

Way before the course started Ash was keen to sort everything out for me as I was flying in from Kazakhstan! Something that I really liked as anywhere else it would of been left to me to arrange.

The course rockets up your understanding of how to ride and work in a mountain environment, be a good level snowboard instructor and still have fun out of this job.

The atmosphere in the group was nice and relaxed, which I know is the style of Snowboard Coach and everyone was stoked to learn the new things Ash provided to us.

I was lucky to have him as my coach for the level 1 so it was an easy decision who I was going to go with for my level 2.

I am now taking what I have learned back to the slopes of Almaty, my home resort.

Thanks Snowboard Coach, we welcome you to Kazakhstan ;)

If you're looking around to book a BASI course, I cannot recommend Snowboard Coach enough. Ash & the team are extremely knowledgeable & professional (& bloody good fun!).

I recently completed my BASI 2 with SBcoach after coming to Arinsal in 2015 to do my BASI 1 and I'm so glad I opted to go back.

Snowboard Coach will guide you through all the technical & theory aspects, improve your riding, your understanding of snowboarding & give you the tools to deliver better lessons so that your clients can get the most out of their experience.

The camaraderie & support encouraged amongst the group really helped me on both occasions too.

Arinsal itself is an ideal area to learn/ride in & Snowboard Coach make getting there easy too - they can help you sort accommodation, transfers & lift passes, making the whole process super easy. If you're thinking about doing a course don't hesitate, just book it. I guarantee you will not regret it.

You're not just getting a qualification, you're getting an education too....

SBC EXAM CREW !!

BIG THANKS FOR THE SUPPORT GUYS....

YOUR RESPONSIBILITIES

We ask every candidate to be professional and respectful at all times not only to your trainers but also to your peers - the people you will be living with for the 3 weeks. Understanding other people's needs and being able to manage them as a team is a big part of being an instructor. Even though you will only be with us for the 3 or 4 weeks, you will get to know a lot of people in Arinsal and will be known as part of the snowboard coach crew. It's a small friendly town so creating the right impression is paramount.

Remember we are not just looking at your snowboarding skills but also how you would represent BASI as a working instructor in a resort environment in the years to come.

The courses are not to be taken lightly and you will be pushed hard with your riding and your teaching but you will learn loads of things that you would never even think of and WILL ride the mountain better than you ever have done.

The course is not a guaranteed pass. We will give you all the tools and feedback you will need to pass the course. We are not in control of how much effort you put in...that bit is up to you. We encourage you to use the time in resort wisely. The more you practice around our training program and take charge of your own riding and learning the more chance you have of success.
